Tariffville Rd area - Looking for someone to walk my 21lb Chihuahua mix mid-day or after school. Waste pick-up needed from neighbors yards but not wooded areas. Her walks are usually 5-15 minutes long. Shorter in the winter, longer in the summer. She loves the snow, but hates the rain. If it's pouring, 30 secs is all she needs. And she needs to be dried off after. For really bad weather days, I will be able to work from home, so I will care for her on those days. On days you are unable to walk her, I can take her to my dad's house for the day, which is only 5 mins from my office.

I've usually had a 10-16yr old from the neighborhood come after school & I pay $3 per day.
