ASE CERTIFIED MECHANIC WITH 26 YEARS EXPERIENCE THAT COMES TO YOUR HOME OR WORK!

Does your car or truck need brakes(OR OTHER REPAIRS)? Are they squealing or pulsating when braking? I will come to your house or work and install Brakes or Rotors(or any other parts you need). Don't waste your time waiting at a shop or going to all the trouble of dropping of your car to get work done. I WILL COME TO YOU! Have it done while you are working or while waiting in the comfort of your own home. I charge $50.00 to install brake pads on front or back. $10.00 additional PER ROTOR if it needs Rotors(most cars). E-mail me or text or call me for prices on other jobs. BE CAREFUL WHO YOU GET TO DO YOUR BRAKES! THERE ARE A LOT OF PEOPLE ON CRAIGSLIST CLAIMING TO BE MECHANICS THAT DON'T KNOW WHAT THEY ARE DOING. THERE IS A LOT MORE TO DOING IT RIGHT THAN PEOPLE THINK. I have 26 years experience as a mechanic and I am ASE Certified. Also been a Virginia State Inspector for 19 years. DON'T LET ANYONE WORK ON YOUR BRAKES THAT ISN'T ASE CERTIFIED. MAKE THEM SHOW YOU THEIR CARD!!! I also do tune-ups, wheel bearings, tie-rods, axles, starters, alternators, batteries, belts, hoses, most state inspection related repairs and more.

I also do Used Car Inspections. Don't buy a lemon. Let me check it out for you before you buy it. Please e-mail Greg at or call or text with year, make, model, engine size and problem(please leave a message if I don't answer). Thanks and have a great!
