KINGDOM MASSAGE (Northeast Kingdom)

Location **Vermont**
https://www.genclassifieds.com/x-569455-z

I invite you to discover massage on a much higher level with a unique style, proper pressure, a restful rhythm, and targeted techniques that turn massage from a luxury into a necessity.

Whether you are nurturing an injury, requesting deep tissue bodywork, addressing chronic aches from driving long distances or sitting at a computer all day or simply maintaining optimum health through deep relaxation, "TLC" is what you need.

I specialize working on the man's body, focusing on legs, glutes, back, shoulders, neck, and chest.

My Massage Practice is different!

Rates: $1/minute (cash only)
Massage Therapist/Hypnotherapist/Life Coach
