Grow up. I believe you are a teacher and you get paid to post lies on here about Governor Walker. What the heck wi fi are you talking about? I did not like Gov. Jim Doyle but I did not tell lies about him as you do about Scott Walker. Do you know what a liar is? A liar like you is a mean, unhappy person! So, just pay some of your insurance and be happy that you don't have Obamacare! (Another Obama flop). Go lay down by your dish. You are the worst liar ever on.
