Professional set ups for guitars and basses. Free estimates.
I have over 30 years experience setting up guitars & basses.
Will adjust action and intonation, truss rod if needed, and also clean and oil the fretboard.
If you want to bring out the best in your guitar or bass, you should have it set up properly!
$35, and you bring a new set of whatever strings you want me to put on your guitar/bass when I do the set up.
Turn around time is usually one.
