QR Code Link to This Post Looking for sub contractor to help with some properties.
commercial properties. The commercial properties have open times of 6-7am, so need to be done early.
Willing to set you up with a whole route or breakout properties to help fill your existing routes.

If you have commercial liability insurance, we can pay as a 1099 contractor, otherwise you would be paid as a W2 employee. Routes pay approx. $100+ per hour depending on your efficiency and plow size/type (bigger plow = fast completion = more $ per hour)

Please respond via email with your contact info and size of truck and plow you would be using.

BBB accredited business, over 20 years in snow business, fast pay!
