QR Code Link to This Post Tired of shop rates taking advantage of you?

Well I'm able to work with you at afforable prices as I charge by the JOB and NOT by the hour!

Time is of value so Im available day/night and weekends!
I will even consider driving to you!

However I Do NOT! remove motors, tranny or difs. As Im not set up for that service at the moment

Give me a call/text today!
Josh @ 218-790-six four five 1

You pay for parts

I do NOT enter homes if I come to you I'm outside until job is finished
