Computer Issues? We Can Help!

Commercial or Residential doesn't matter to us. Our tech's went to college for computers. They live this stuff everyday. Don't let someone that took a typing class in high school try to go to work on your company's network or computers. Is your computer acting up? Do you need maintenance, updating or installation? We can repair networks, build networks, install new network printers or other devices and their software. Did you just buy new computers and want your files transferred over? Need configuration help? Feel free to call us. We come to you, and most services are only $25 an hour with a 2 hour minimum, or flat rates for large or misc services. We're not only mobile, but we are one of the cheapest service providers in the state.
