I'm looking for racquetball players who have membership at LA Fitness. M or F players, as long as you are experienced in RB and looking to play competitive games for fun and exercise.

I am honestly a C+ to B- league level player, but haven't played in 18 months since moving from MA to RI and leaving LAF Walpole club. LAF Cranston does not have RB courts, but now the recently opened LAF on Bald Hill Road in Warwick has 4 courts. And I am looking for experienced players to join me in play.

No beginners please! Sorry just a preference. I'm looking for a competitive game and a good hour or more of aerobic workout.

You should be a member of LAF at either RI club, but do not need court privileges; I have that feature on my membership and can reserve court time.

To be clear, I am looking for platonic relationship focused on racquetball only; this is not a sex ad or ad looking for some type of casual hook-up. The only relationship is for the RB court. I am married guy, 50s, in good shape; work out with a trainer regularly. I just want to find other RB players in RI since I don't know any and all my former partners and league mates are too far away in MA. I don't care your sex or sex preference, as long as you like and want to play RB.

And if there is a better place for posting this type of ad in RI, I'm open to your suggestions. I started with CL to see if this would generate interest.

Serious replies only please. Don't waste my time or yours.!
