**You can choose another cleaning service and pay higher prices, or you can choose another cleaning service, but do you really know who you are getting in your Home or Office? With "A Better Clean" you will get to know our team of Professionals, so that you always know who is in your Home or Office."
** And what is a Deep clean at a basic price? "A Better Clean" always gives you the best clean with every visit. "A Better Clean" makes every visit better than the last, we guarantee all of our work. With a lot of cleaning services, the cleaning area gets smaller and smaller with each visit, at "A Better Clean" it is the opposite, our cleaning area expands with each visit.
**"A Better Clean" offers all services that others offer and more, not only do we provide Professional and Experienced cleaning services, but also Professional Carpet cleaning as well, not a home shampooer, but a truck mounted, high pressure, steam cleaning unit that is guaranteed to deep clean your carpets.
**"A Better Clean" uses color coded practices for all of our cleaning cloths. This ensures that a cloth that has been used in a bathroom is never used in your kitchen, ensuring your Home or Office is not only clean but sanitized as well.
**"A Better Clean offers recurring service (Daily, Weekly, Bi-weekly, and Monthly), and we also offer One-time service (Move-in/Move-outs, Pre/Post party, Out of town guest arriving, etc. etc. etc.).
