Edison Real Estate

Ornate Colonial in Edison!

This Edison colonial is ready for it's new owners. The charm of this home can be felt from the first step through the door. Hardwood floors lead your way through the welcoming floor plan, from the living room, sun drenched, made for Sunday afternoon relaxation, to the dining room which urges dinner parties and enjoyable times for years to come. The kitchen is completely updated with granite counter tops and stainless steel appliances, optimal for the chef in you. The enclosed back porch is so quaint and fitting, you can almost tasted the fresh coffee with your newspaper on a clean spring morning. Take the trip upstairs through the staircase in the living room that reminds you of your favorite sitcom. The bedrooms are spacious, two with hardwood flooring and the third with wall to wall carpeting, and completing the second floor with a full, updated bathroom. The full basement is spacious and excellent for storage. Spacious backyard is ready for summer time BBQ's and outdoor fun. Immediate access to all major highways, great schools, shopping malls, and public transportation to and from NYC! This home is not to be missed.
