

Great Dane Mix (Sundance)

Location **Wyoming**

This boy was abandoned at the rest area in Sundance WY and it took a couple days to catch him.. Probably a great dane cross and he isn't done growing. Perfect for the woman that needs a running partner. He is up for adoption for \$125.00 this covers his neuter and shots. Unless you want him neutered by your vet. He is shy but just a doll once he gets to know you. Kennel broke indoors. Gets along with my dogs and didn't seem to care about the cat. Let me know if you can give this boy a forever.
