2001 VW Golf (2500 USD)

Location **Maine**
https://www.genclassifieds.com/x-510194-z

Nice little car which was run w/o oil. Bought last November for $4,000. Has new turbo pipe, brand new studded tires barely used, thermostat, windshield wipers, excellent new battery. Can be driven (slowly) as it needs new bearings. The new turbo pipe did not fix its turbo issues so might need more than I can say for.
