Hello! My name is Deborah and I am offering personal transportation services to the Raleigh areas. I AM NOT A TAXI SERVICE AND I DO NOT HAVE A HACK LICENSE!!! I am not the person to call at the last minute when you only need a ride just down the road as I live in Zebulon. I am a fully insured driver in the state of NC, have a clean driving record, am drug-free, and have safe, dependable transportation. I am cheaper than a taxi and my hours long exceed those of the local bus routes. I DO NOT CHARGE FOR THE AMOUNT OF LUGGAGE OR THE NUMBER OF BAGS THAT YOU HAVE NOR DO I CHARGE FOR THE MILES TRAVELED TO YOU, LIKE SOME OTHER TRANSPORTATION SERVICES AND TAXIS DO, HOWEVER, I do live at the junction of 64/264 Hwy at the far end of Wake Co. I am the only female transportation driver advertised. I charge less than a taxi per mile(taxi's charge $1.95 just to sit down and $2.50 a mile and will soon be going to $3.00 a mile)and I do not make trips that are less than 10 miles. I am offering personal transportation for people who need to get to work, to their medical appointments,and to run their errands(like going to the grocery store). I offer RDU Airport, Cary and Raleigh Amtrack, and local bus station pick-ups and drop-offs. I EVEN OFFER DESIGNATED DRIVER SERVICES , THAT INCLUDE FOR A SET FEE, DRIVING YOU HOME FROM THAT BAR IN YOUR OWN CAR, UPON REQUEST. I offer several long-distance trips in NC, ask if the area you need to go is among those trips. All of the long-distance trips are at a special rate for mileage less than my regular rate. THESE TRIPS START AT RDU AIRPORT, BUT ARE LIMITED FROM THERE ONLY. I even offer the service of running those pesky errands for you, like doing the grocery shopping, going to the drug store, picking up the dry cleaning, or just walking the dog, because we all know how hectic you schedule can be during the week. If you need assistance due to physical or other handicap, age, or whatever reason, just ask and I will be happy to help. I will even wait with you at those medical appointments or while you run those errands, upon request. Smokers are welcome, as long as it is legal, but please no cigars. I am NOT equipped with child-safety seats, so moms you will have to bring your own: it is the law and your safety is important to me. I only work on a cash basis, due at the time of pick-up, and always give a receipt. If you need to use an ATM or need change, please inform me at the time of pick-up, as I carry NO cash for safety reasons. If there is going to be more than one passenger, please inform me when making your arrangements, as the rate may vary(just like a taxi) depending on the circumstances. If this sounds like a service that you can benefit from, please call me @

I DO NOT HAVE TEXT MESSAGING SERVICES NOR DO I ANSWER BLOCKED>UNAVAILABLE>RESTRICTED>OR PRIVATE CALL FOR SAFETY REASONS. PLEASE, DO NOT EMAIL, as I am on the road all hours of the day and night and have NO access to the internet. If you were to require my services that day I would be unaware of your need to help you. I am available at all hours of the day and night, but please call at least a notice as I have regular weekly clients and will always for you to be with one also. Rate quotes are available upon request. Previous clients, I look forward to hearing from you and you should be happy,
