There's a low cost vaccination clinic for dogs and cats at the Arrow Ranch and Feed Store on Hwy 377 today from 11am-4pm. The address is 2031 E. Hwy 377, Granbury, 76049. They also do low cost heart worm testing and sell low cost flea and heart worm preventives. They're on computer, fast, and friendly. There is always a veterinarian there. They will do the occult heartworm test free with the purchase of a twelve month supply of heartworm preventative. This clinic is regularly scheduled on the second Sunday of each month. www.vaccinationstation
