Lost a black Lab/Mix (Shar-pei) 10 mos. Old
 I was camping @ Heber Mountain, second week of Sept. & my pup ran down the canyon into the Heber Valley Camp subdivision. Some resident that lives near Heber Mtn. has decided to keep (steal) my pup. I have posted over two dozen flyers @ entrance to subdivision (1200 South @ LDS church), and this person continues to take them down.

The pup had a green collar, w/ reflective tape. Very friendly & nice dog. 60 lbs. Male. All black. Flowered black tongue.

\$250 reward.
