Remember attending countless birthday parties at Chucke Cheese as a child? After patronizing your so called "friend" with a half assed attempt at the happy birthday song it was onto bigger and better things...

No, not that robotic band that would creep out Charles Manson in his prime...

SKEEBALL!

The joy of hitting the "100" corner hole, the despair of missing while the girl with the first hint of boobs was watching. What a sport!

Well, we're bringing all the fun back!

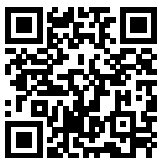

Games are 3v3, you'll play one hour long match each week against another team while enjoying a great adult atmosphere at our league home, Gracies.
