CATHY HARMON How is that bullying? I didnt threaten you, i didnt call you names, i didnt pick on you!! Are we 2? I was simply stating my opinions, and that is that I THINK you are only rehoming this dog because she is of no use to you anymore. You posted pictures of this dog with her litters of babies, and with her mate. And now she is 4, fixed and needs to go??

I was stating my opinion, and lots of people agree with me. I simply emailed you, i didnt post anything publicly on here, you decided to do that, and so heres my response.. I hope that dog does find a good home, and i hope you stop breeding.
