QR Code Link to This Post We had an Old Oak Tree that was dying and most of it became dry. We cut it down.
Looking for someone who wants to remove it.
You can keep all the wood, split it and sell it if you want.
We just want it out of our back yard.
All tree is cut to firewood log size... It just need to be split and will be ready for fireplace....
Enclosed are pictures. Ideally someone would remove it for free and keep the wood... but if payment is needed I am willing to pay something... Please send me your quote..

Wood for the fireplace, fireplace wood, firewood, free wood, free firewood, free oak wood, free oakwood
