I'd prefer someone retired or semi retired bc this could be a long term deal for the right person. Someone I can call or text the night before and they can go look at and repair the issue the next day. I had a guy but health issues and his personal business prevent him from being there as needed. There could be weeks with no work or there could be weeks of up to 10-15 hours just depends what we are into. Usually its pretty easy as all of my properties are in pretty good shape. I'm looking for someone that would be like they are"part of the family" and care about getting thing done properly for me. Email, text, call and leave message to tell me about yourself, your experience level, and how much you can work for an hourly wage. Reliability is a
