QR Code Link to This Post I'm selling my INFINITI G35 coupe. This car has a clean title with no past history of any wrecks or anything. This car is a 8/10 on the interior with just a small crack on the driver seat (these cars are notorious for that). It is a 2006 and has a couple door dings not a whole lot. It has 6k hids and come with another set. I spent $200 for the set. It come with new front suspension as well that I put a lot of money into. It has a $380 intake setup on it. It's a k&n typhoon intake and I'll throw in the stock intake too. I wouldn't be afraid to drive this car anywhere as it is mechanically sound. I drove it all the way to North Carolina and then down to Florida with no problems whatsoever. I change the oil every 3000 miles. It doesn't leak a drop of anything. It has newer tires on it with a lot of life left in them. This car will not disappoint you. Very reliable. $6500
