Will Daveson

Location **California, Los Angeles**
https://www.genclassifieds.com/x-815293-z

We have high-quality Caluanie in stock at reasonable prices. Shipping is available globally.

This product is utilized for metal crushing in various chemical industries.
Mining companies use it for the processing of precious and semi-precious stones.
This allows nails to be broken with bare hands after immersing in it for 10-20 seconds.

Caluanie Muelear Oxidize also known as Heavy water, alters the properties of the metal, rendering it brittle. However, when the heavy water evaporates, the rock regains its original state.
