Hi,

I was able to become semi retired early as a result I'm a not so old guy with a lot of free time on my hands. I'm a pro guitarist and highly skilled songwriter.  
 I'm looking for a few people that really are motivated to learn to play guitar  
 Or write songs / lyric

Here's the Dealio ...I'm willing to meet for a first time free so we can check each other out  
 If we decide we'd be a good match, that means you have to prove me to me you want to learn  
 And I have to convince you, I can teach you and help you reach your goals

The great news...you can afford me, I'm not about the money I'm about finding the students that are gonna practice  
 My lessons will cost you 10 bucks an hour for kids still in high school  
 15 bucks an hour if you're over 18  
 I'm located in Hollywood you have to have transportation to and from my studio

2015 is here...if you made resolutions concerning playing or writing  
 I can help you get there.  
 Drop me a me a short note, introducing yourself, I'll need to know your age, and level of accomplishment
