We are Awkward3some and looking for a Bassist to commit to our Top 40s cover band. We perform at clubs, bars, corporate events, festivals and weddings. We also perform once a week at a Farmers Market (consider as live rehearsal). We have all pro gear, PA, mics and a private studio. We have corporate sponsors that pays for all our advertising. We split all our earnings at gigs. We try to focus on current top 40s covers, usually 2000-present. We are currently working with a new lead vocalist that has a large YouTube following, so acquiring good paying gigs should be no problem. But for now we play free and small paying gigs just until we can complete our band. We will then seek representation for higher paying gigs. Please have reliable transportation. Please check out our set list below before replying to be sure you are interested:
