

two Current 12ax7 and 12au7 vacuum tubes (pompano)

Location **Florida**
<https://www.genclassifieds.com/x-258414-z>

current production tubes, like new only a few hours, sold/selling the amp I purchased them for.
 Electro-Harmonix 12AU7 / ECC82 (\$20)
 Sovtek 12ax7 LPS (\$20)

also selling
 Bellari Ha540 headphones amp ..upgraded... extra tubespower supply
 has the stock ruby 7025ss / 12ax7a tube and power supply.

I also purchased a Rolls PS15 power supply (\$20) and better tubes:
 Electro-Harmonix 12AU7 / ECC82 (\$20)
 Sovtek 12ax7 LPS (\$20)

all perfect condition and all original packaging,
 im changing my set up and it making this set up redundant, so it would be better being used than boxed away., hence sale.

if you can find them there in the 300 before tax ect +\$60 in extra upgrades.
 it is as new and can be packaged as such it also has extra tubes and the improved updated power from

Rolls it parent company
 for best price offer.
 your time and
 12ax7, cv4035 millard premium version of cv400 with pm conversion purchased from
 tubemonster for 150, asking 300
