*****A Better Clean (Home and Office Cleaning and more)*****

When choosing a cleaning service, wouldn't you prefer a cleaning service that you can trust in your Home or Office? With A Better Clean that is what you get, a team of Professionals that are Licensed, Bonded and Insured. Ask our competitors if they are Licensed, Bonded and Insured and you will find that most aren't, unless they are a franchised cleaning service. A Better Clean is not a franchised cleaning service but you receive all the benefits of a franchised service, but at better rates.

A Better Clean offers all the services that the others claim to offer and more, not only can you get our Professional cleaning services, but we also offer Professional carpet cleaning and Interior/ Exterior window cleaning as well, all with one phone call.

A Better Clean saves you money in several different ways. The first is, we come to your Home or Office and provide you with a FREE in Home or Office consultation. With your consultation you are quoted a price based on the needs of your Home or Office, not by the square footage of your Home or Office, or based on an hourly rate. We also offer Senior and Military Discounts, just like our competitors do. A Better Clean also offers monthly specials.

A Better Clean is always happy to provide references when requested, we also invite everyone to visit our website @ www.abettercleanga.com or check us out on Facebook @ facebook.com/abetterclean701, there you will find real reviews, from real customers about the services that we provide.
