

Re Real estate photographer needed (Boston

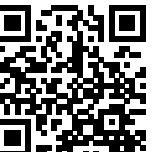

Location **Massachusetts**
<https://www.genclassifieds.com/x-259000-z>

So...I have reached a new low. I am posting my aggravation on Craigslist.

When you post something like this...and somebody offers to do the job for you. At least have the courtesy to respond to them and say why you don't want them for the job.

I am guessing that the lack of professional courtesy probably would continue throughout the job so maybe I am better.
