We're making an orangutan movie this summer. It's a comedy, not a documentary.

You'll play the ape in the pitch video for our crowdfunding campaign. We already have a small budget for equipment; your role in this video will allow us to afford to make this movie a reality.

Height: 5'4-5'11  
Gender: Any  
Nudity: none  
Age: 21+ (we have a little release form for you to sign)

You'll need to jump around a bit as well as act like an orangutan so please be ready to monkey around. We have a costume for you.

We'll film you for no more than 30 minutes in Downtown Boston.

Great way to get your first IMDB credit, and we'll consider you for the full movie when we get our fundraising target.
