Location **Kansas**
https://www.genclassifieds.com/x-259041-z

So if you ever wanted to run your own web design & Seo business, without the hassle of opening a company, marketing costs, accounting team, legal team and hiring all the right developers. Well this is the Gig for you!
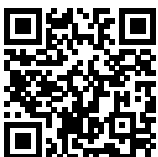

We are looking for someone in the W E B D E S I G N & SEO industry to join our team as a local representative and online on elance.

Your main responsibilities:
Make out going sales calls
Post ads on CL
Reply To Ads
Answer Calls
Apply for jobs on Elance
Manage Jobs
Manage Projects
Manage developers, contractors
We will find leads, jobs to apply for, pay any fees. We will help you succeed we just need the motivation and effort from your side.

This is a unsupervised position where you will have the full capabilities of a development firm at your finger tips. We pay for all marketing and hosting and bidding as well. We have extensive portfolio and reputation. You will essentially be running your own section of a web design business, you will be compensated at 30% per project. Most projects are $500 credit, and typically come out to 7 days to complete. As you would be the main client, and developer. We currently apply to over 50 jobs a day as a team of 3, majority of the time we all split projects that we all work on. We have just started on elance and already booked several jobs, and a few 5k plus jobs pending for approval.

Company has a great reputation and has been in business for a little over a year. We have great FB reviews, yelp, and others, We work with local companies, and nationwide as well as international clients.
