

Young Male Cat Needs Forever Home (Roseville)

I am needing to find a new home for Melvin. He is just under a year old, is not fixed nor has he had his shots. He belongs to a friend and she couldn't take him with her. I have 2 small (under 1) kids and he's just too hyper around them. He gets along with other cats (not sure about dogs), he's very friendly and loves treats. He is an indoor cat and does not go outside. He doesn't come with anything so you'd either need a cat carrier or someone to hold him. Being that I work all week I am only accepting texts and e-mails. He would need to be picked up in the evening. I am asking a \$20 rehoming fee to ensure he goes to a good home and to cover some of the expenses in which I've already spent on him. If interested you can either text me at

or reply to this.
