Are you a fan of too many guitar solos? Great! So are The Natural Disasters. We are a hard-hitting rock and roll band based out of Billerica, MA and we are ready and willing to melt your face off. We have been around for over two years and have plenty of experience playing the clubs in and around Boston, as well as the occasional house show or eviction party.

Long story short, we'll come bring the fucker down. Don't believe us? Check out the evidence for yourself.
