I need to build a team of 50 serious people. We're selling our cool business plan program for Startups. You will earn \$500 per sale. Plus you can earn additional commissions once the Startups get funded. That's not all. After 3 months of working with the company and bringing solid sales, you will receive health care benefits.

You make 5 sales this week = \$2500 right away.
So if you know people who would need a business plan, this job is perfect for you.

STUDENTS WELCOME!

If you are interested please contact me with your full name and phone number. Let me know the best time to reach you. Thank!!!
