

# Apartment needed asap (indianapolis)

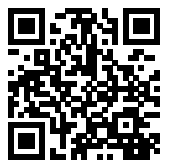

Location **Indiana**  
<https://www.genclassifieds.com/x-259546-z>

My name is Robert and I am looking for an apartment in the Indianapolis or Fishers area. I am recently separated and while trying to work things out have bounced around in hotels and in roommate situations. We have decided to stay apart so I am looking for my own place. I have worked for the Postal Service for 19 years, ten in Boston and nine here in Indianapolis. Ideally I could move in as soon as possible so I dont have to pay rent to my current landlord. The marriage dissolution has left me with credit issues but my landlord will attest to my prompt rent payments if a reference is needed. I currently live in Indianapolis and have the upstairs of a house to myself but the landlord lives downstairs and recently invited another person to live there and I am eager to find a new place. Please contact me if you think we might be a good match. Thank you.
