I'm a full time farrier that uses a natural trim known as the mustang roll. I use this trim on most all horses. Mules and gaited horses are to be trimmed differently. Also provide show trims. \$30 per horse if your horse is a kicker the price is \$50. All draft horses are \$60... Please call David at two.two.eight.3six.3.five.three.6three. A \$30 service fee if your more than 25 miles from my farm
