We understand moving is a stressful time which is why we are here. Our experience ranges from small fourth floor apartments, large homes, and offices.

Our company, 208 Moving LLC is a truly local moving company that provides service to the Treasure Valley. We provide floor protection, our door protection covers your main entrance door as well as the door jam, extra thick furniture pads to properly cover and protect your furniture, hand trucks to speed up the process, and we use a 26ft box truck to transport your belongings.

We don't charge extra for stairs, extraordinary items (gun safe, piano, etc.), use of any of our equipment, and there is no convenience fee for using a debit or credit card.
