

Real Studio (250 USD)

Location **Minnesota**
<https://www.genclassifieds.com/x-260225-z>

We build and modify real authentic analog recording equipment the old fashioned way: real components--transformers, tubes, transistors, inductors, etc. Made to order. Every serious musician deserves access to quality gear to help get that classic recorded sound. If you are considering Telefunken, Neumann, AKG, Manley or UA, check us out

- Telefunken ELA-M style LD Tube Mic. - 780
- Neve I/O stereo transformer box - 565
- Neve modded PM 1000, fully discrete - 1495
- OWA modified Akai M8 - 760
- LA2A style dual optical compressor pedal - 250
