I do welding/fabrication jobs at my home in Woolmarket. Something broke on your mower? Don't buy a new one, check with me first! That favorite garden tool broke? Maybe I can fix it for a fraction of the cost of a new one! Need welding on a boat or utility trailer? Chances are I can fix you up! I guarantee my prices will beat all others! Many, many years of experience in welding and fabrication. Check with me for your welding / fabrication needs! You can reach me at

Please, no calls after 7pm. Thank you. NO!
