

# Lean Mean Fat Grilling Machine by George Foreman (20, USD)

Location **New Jersey**  
<https://www.genclassifieds.com/x-260568-z>

We are offering for sale a George Foreman Lean Mean Fat Grilling Machine. This is the "as seen on TV" grill that separates fat from food while grilling and keeps the food fresh tasting a juicy. We have owned it for about a year and it is in great working condition. One piece missing is the little container that goes below the from grill to collect excess grease, but it can be substituted with any similar container to can fit.
