## Red Runners (Turkestan Cockroach) GREAT DEALS

**New York** Location https://www.genclassifieds.com/x-260664-z

Fast and nutritious feeder roaches now available in New York. These Roaches breed faster then any insect in the Reptile industry. They're a little larger then a large cricket and CAN NOT climb on walls/glass/plastic. These Red Runner's are all farmed in NYC, Colonies are now available!

P.S. Once you purchase your colony, you'll no longer have to ever purchase crickets again! ...Plus Reptiles LOVE them!!!

Adult Breeders... 100 for \$15 250 for \$25 500 for \$35
