female Siberian husky NO CATS (lincoln)

Location **Nebraska** https://www.genclassifieds.com/x-260697-z

we have a 2 yr old female Siberian husky that we need to rehome. CANT GO TO A HOME WITH CATS OR SMALL AMINALS. HIGH PREY DRIVE

if u email me and ask how much i will not respond its not about the money but her going to a good home!

i have had her since 8 weeks and seen her born so this is very hard for me since me but we rent and my landlord wont let me build a privacy fence so she exscapes under my fence and runs, due to that we had to buy a chain but i can not keep her chanied her, she needs a yard she can run and play. she is the sweetest thing in the world. loves kids of all sizes. knows sit, down, and go lay down. she had her last litter and is still skinny for that so we do feed her special things in her food that i will let u know what all in that if u are perfect for her. she also will need to be fixed in the next 6 months due to she had a hard recovery last litter and we cant do that again. she loves other dogs but needs to get use to them and is a indoor dog. must be a very active family cuz she needs alot of attention and exercise. she is also kenneled trained. she is potty trained to

things u have to have to be considered able to be her new family.

fenced in, sturdy, husky proof yard

knowledge on the breed

active

we also come see your home and ask u for a vet reference so we can see were and how she will be living

we would like monthly updates to be able to come see her often, she is our baby and this breaks our
