I am a stay-at-home mom of an almost 3-month-old daughter. I am looking to take ONE other baby into my home to care for, and am available from 8 a.m. to 5 p.m. My daughter is extremely easy going; sleeps through the night, all throughout the day, smiley and generally content. The fact that she is so easy going is the reason I think I would be able to care for one more baby. She is exclusively nursed, and I would be willing to nurse another baby. Some may find that a bit strange, but I don't think there's really anything strange about it, as it provides great health benefits and would make feeding easier. Of course, I am also willing to bottlefeed (expressed milk or formula). I am located on the north side of GI near Fonner Park. Please email me if:-)
