I am looking for a good, financially stable home for my 7 month Lab/Border Collie that will give him the attention he deserves. Listens well, he is neutered and is up to date with all of his shots. He is very playful and loves to play fetch at the park :) I have come into some financial problems regarding school and have had to quit my job to keep up with it. It is not easy as his owner to make this decision, but I just want what is best for him. His name is Finley, but responds to Finn well. He will come with his cage, leash, collar, his favorite toys, and food. \$50 Rehoming fee. If you have any questions feel free to.
