My husband and I are hoping to adopt a special needs baby. We have our homestudy and work with an agency licensed for MN, ND, SD

My husband is a full time electrician, I am blessed to be a stay at home mom to our four wonderful kids ages 21, 19, 16 & 11

We would love an open adoption with as much or as little contact as you want.

We have been married 21 years and have always felt in our heart that we were called to adopt.

Please feel free to email and talk, please share this if you know of anyone looking for a family for their baby. We are a Christian family from small town
