2006 Lincoln Navigator 140k new tires, fresh oil change, new OEM updated spark plugs, new fuel filter, air filter, new cat, new exhaust system magnum flow sounds awesome. Has remote start, built in hide away radar alarm system. Navigation, dvd for kids, power 3rd row heated/ac seats very nice truck, tailgate has some bubbles because it's aluminum not rust. Tire pressure light is on because of the cold weather normally I have to drive in about 20 minutes it turns itself off. Feel free to call with any questions. Lou 401-744
