With a beautiful brindle coat and those soulful eyes, how could you go wrong? King (24850057) is a 9 month old unaltered pit mix who came in here after his owner could no longer take care of him, which is so unfortunate, because he isn't even asking to be treated like royalty! He's forty pounds with some room to grow, so he's still a pup who might have some energy, but when we came in to say hi, he was just gently lounging around. Unfortunately he seems scared here because he seems to think ACCT is more of a dungeon than a castle, but you can tell just by looking at him that all he wants is a calm, quiet place where he can show you all the love he has to give. Come in and give King a home he can call his castle, and he'll treat you like royalty as well!

This is just one of the many wonderful dogs in urgent need of adoption, foster care, or rescue at Philadelphia's animal control shelter, ACCT. You can stop down and meet them, and after filling out an application with shelter staff, interact with them 365 days a year at the shelter- 111 W. Hunting Park Avenue in Philadelphia. Please check [www.acctphilly.org](http://www.acctphilly.org) for hours. Come in and take home a forever friend today! To check the status of an animal, call or send us a!
