Poor Brock (A21857746)! You can tell this big white and tan Bulldog mutt is heartbroken after his owner had to surrender him because of a relative's health. The good news though is that he's a four year old gentle big man at 122 pounds who is at a healthy weight, neutered, and ready to find a new loving home! When we opened his cage, Brock just sat there looking at us with those sad eyes. He let us pet him and give him some love, but it's obvious he wants to get out of here into a better place. Come in a give this man the home he so desperately wants!

This is just one of the many wonderful dogs in urgent need of adoption, foster care, or rescue at Philadelphia's animal control shelter, ACCT. You can stop down and meet them, and after filling out an application with shelter staff, interact with them 365 days a year at the shelter- 111 W. Hunting Park Avenue in Philadelphia. Please check www.acctphilly.org for hours.

Come in and take home a forever friend today! To check the status of an animal, call or send us a!
