House share in Marysville \$725 mo. (includes all utilities, cable TV, and Internet)

I have a three bedroom, two bath rambler and I primarily live in the master bedroom which leaves two bedrooms, one bath and garage parking for one car available. Additional parking available on the street or driveway. I am a newly retired gentleman living on a fixed income and ideally, I'm hoping to find someone similar to share expenses. The kitchen, dining room, living room, and laundry room would be shared but I rarely use them. I have a large Belgian Shepherd who lives indoors with me and would prefer someone who likes animals but doesn't have any. First and last months rent to move in. Be prepared for a background and credit check. Be a non smoker, quiet, drama and drug free. If this sounds like it would work for you respond with your name, current address, phone number, and tell me any relevant information about yourself. If it looks like a good match I'll contact you.

Thanks, Rob
