Justice of the Peace available to perform opposite and same-sex marriages. Vermont only, but willing to travel the state within reason. I'm centrally located.

I was elected Justice of the Peace in 2000 when Civil Unions were legalized and recognized by the State of Vermont. Part of the purpose of becoming a JP beside performing marriages was that I wanted to make sure there was someone there to unite same-sex couples. To this I have accomplished and hope to carry on for many more years. Contact through CL for details. Put "Wedding Official" in subject line to weed out spam

I've done 44 opposite-sex marriages,
22 Civil Unions,
4 same-sex marriages (since it became legal)
3 vow,
