I need 1 person ( female preferred) to work this Sunday at a trade-show event from 10am-5pm. I do custom screen-print apparel and this will be my 1st time going to this type of event. You don't have to be a model or have any experience...

Must be 18 to apply, have a valid drivers license and be dependable. Send 1 full body picture along with a brief description about yourself. If your only about \$ then don't apply. This could lead into other work if all goes well.

Please be serious when applying. I'm doing interviews up until Friday ( January)
