

# Art amp Music Education (Murfreesboro, TN)

Location **Tennessee**  
<https://www.genclassifieds.com/x-262069-z>

We are seeking volunteers to lead music and art activities as a part of some new things we are trying in our gallery space. We welcome volunteers who can develop programs and lead them, or those who only wish to lead individual classes we assign them to. Art or music experience may be required depending on the activity, but it is not required. Please contact me for more.
